

Charge, Store, Secure and Manage Mobile Devices

Available at Apple

Lifetime Warranty. Unicorns do exist. Most of our products are now fully backed by a lifetime warranty on the main frame, electrical and all other components.* It's a one-of-a-kind guarantee that's as unique as a magical unicorn.

World-Class Customer Support. Our helpful and friendly Customer Support team will promptly assist with any product issues or questions that may arise.

Carts

iJ™ 36 Cart

Charge, store, secure and transport almost any Apple device in this affordable Cart featuring 360-degree access, easy cabling and angled outlets to accommodate MacBook Air®, MacBook® and MacBook Pro® power adapters.

Carrier™ 20, 30 & 40 Cart

Charge, secure and transport almost any device in this universal solution. This Cart comes with six Large Baskets by LocknCharge for easy device portability.

Charging Stations

Revolution™ 32

This small-footprint charging cabinet holds 32 of almost any device type. Bricks and cables are hidden keeping them secure and easy to access, and the flexi power system allows you to adjust power strips to accommodate a variety of brick sizes.

iC™ 15

Accommodate up to 15 MacBook® or iPad® devices. iC stations include three Baskets by LocknCharge for easy device portability—or swap for racks (included) to store larger devices. Angled outlets fit MacBook Air®, MacBook® and MacBook Pro® power adapters.

Carrier™ 10 & 15

Charge, store and secure up to 10 or 15 MacBook® or iPad® devices. Carrier stations include two or three Baskets by LocknCharge for easy device portability—or swap for racks (included) to store larger devices.

Putnam™ 16

This charging station features color-coded external LED displays to know when your devices are plugged in and charged. The compact, stackable design allows for multiple stations within a small footprint, and it comes pre-wired with MFi-approved lightning cables.

iQ™ 10 USB-C PD iQ™ 10 Sync

Quickly charge, store, secure and carry 10 iPad® devices. Includes two Small Baskets and racks.

Our USB-C Power Delivery (PD) station provides fast charging capabilities.

Our USB-A syncing station includes 10 MFi-approved lightning cables.

CarryOn™

This ultra-mobile solution allows users to carry five iPad® devices with all the charging hardware and cables in one neat, compact, wall-mountable unit. Includes 5 MFi-approved lightning cables.

*Please see www.lockncharge.com/warranty for complete warranty details.
