

EVO 40 Cart™

Sync and Charge

Sync, charge, store, secure and transport up to 40 iPad®, iPad Air™ or iPad mini™ devices

Efficient charging. With 2.1 amp power at each port, the Carrier 40 Cart is capable of charging up to 40 iPad, iPad Air or iPad mini devices at the same time.

Go mobile! The Carrier 40 Cart is designed to be mobile, so you can create an instant learning environment in almost any location.

Secure! After a day of use, lock the tilting storage compartments and attach the heavy duty anchor kit for securing the Cart whilst it's not in use.

Compatible.¹ The Carry Baskets are designed to accommodate iPad devices - with or without cases.

Efficient syncing. Using synchronization software on your MacBook®, the Carrier 40 Cart can sync up to 40 iPad, iPad Air or iPad mini devices simultaneously.²

Style meets functionality. The EVO 40 Cart features two tilting storage compartments so that iPad devices can be accessed quicker, easier and by more users at once.

Extremely portable. The Carrier 40 Cart is equipped with eight removable 5 slot Carry Baskets. This makes iPad, iPad Air or iPad mini deployments easier.

Lifetime warranty. LocknCharge products are built to last the distance.³

It just makes life easier.

New 5 slot Carry Baskets give users the flexibility to deploy iPad, iPad Air or iPad mini devices with ease. The new and improved baskets are lighter, easier to grip, and can fit a wider range of devices.

Intelligent power management system. The IQ 16 Sync Charge Box automatically stages the availability of power to each port. This function prevents the potential of overloading the circuit and protecting your devices.

Modular and mobile. With the ability to remove the IQ 16 Sync Charge Boxes from the Carrier 40 Cart, syncing and charging can occur almost anywhere, independently of the Cart.

The large device storage area means that iPad devices can be accessed with ease and by more users at once.

Two tilting storage compartments are located on opposite ends of the Cart where your iPad devices are securely stored for charging and transportation.

Cable management.

All the iPad device power packs are stored under the lockable top lid in a separate storage compartment.

Highly Secure. Two-point locking system to keep your valuable devices safe.

Specifications:

SKU: LNC3240 (sync and charge)
inches: 34.07(L) x 28.38(W) x 35.69(H)
mm: 865(L) x 721(W) x 906(H)
weight: 201 lbs | 91 kg
